### Presentation by Courtney Abeyta Caption Call

**CaptionCall** is a captioning phone service for people with hearing loss. The phone types out the conversation so you can read it if you struggle to hear the conversation. The phone can be connected to your cell phone, land line or VoIP line. Learn about true no-cost telephone captioning. CaptionCall does not charge for the captioning service, phone or mobile app, delivery, or any form of customer support. If you have hearing loss and need captioned telephone service to use the phone effectively, you are eligible for this no-cost federally funded service.

## Monthly Meeting Door Prize Winner

At every monthly meet ACAN holds a drawing for joining us. So, in addition to meeting lots of great people and learning about an aging issue or service you may go home with something unexpected and special!

Our Holiday meeting was special. The four door prize winners were (left to right) Brenda Jimenez/ Amanda Webb/Nicole DiPace/Keith Williams. Congratulation to all!

## Adams County Aging Network Meeting Thornton Community Connections Center December 3, 2025

Attendance: 16

Diana Morefield, ACAN Chair called the meeting to order at 9:15 a.m.

November was all sunshine, but on our December ACAN day, Snow moved in during the night and was determined to stay, Spreading flakes all over the ground, and getting in our way.

The holiday ACAN meeting was on. Could we make it there?

Sixteen attendees (some old, some new) got out on the road, braved the snow and arrived at the center. What could be better? Holiday treats by Shari and Archwell Health.

Stories about work, families and Christmas traditions were told. Lots of laughing and fun. Those tales never get old.

Thanks to all of you that have played a part in our group this 2025 year, ACAN is growing. Bigger and better than days before. We're caring for Seniors and that's our goal!

Merry Christmas and may your Holidays be bright and cheery, filled with love and peace! See you next year!
